Homepage

Ninja Warrior Arts Homepage is a website that allows students of Ninja Warrior Arts to communicate with Sensei's and each other online.

This includes a facebook page which allows for tweets from the twitter page to be organized as well as fans and students to communicate to each other.

The website itself offers from the homepage of Ninja Warrior Arts www.female-warriors.com

access to the Online Ninja Scroll where you can submit quotes as well as leave messages to each other like the old days of Ninjutsu & the Samurai - with the retention of a daily quote book held by the retainer.

Registration

You will need to access www.female-warriors.com with an online email address and a username. You can specify the username when you sign up and provide details. I suggest you fill out the details as best you can as there is a grading and ranking system in the website, where the sensei can maintain your access or rank as the belt grade type.

You can register at the following URL: <http://www.female-warriors.com/register.php>

You will be emailed an activation email when you sign up, also be asked for your age , phone number, closest dojo you practice in and other contact information. Remember this extra information is only accessible to the sensei and administration staff of the website.

Privacy Act & Privacy

None of your private details will be share with marketing companies, low ranking individuals, personal facilities or any private or public company as per the Privacy Act of Australia.

Any details taken on Registration will be privately retained for the Sensei's of the dojo as well as any administration staff that require this data but will not go outside the loop of Ninja Warrior Arts.

Facebook Page

Communicate easily with fans and fellow students of Ninja Warrior Arts.
